NODEARK

G82+ MEDIA PLAYER™

Article number **NAAB1018**

PERFORMANCE IS IMPORTANT

The media player hardware has to process data simultaneously while playing media and running apps on the screen. In order to do this it is necessary to have a fast multi-threaded processor in combination with a lot of available memory.

NEW TECHNOLOGY

Intel i7 Processor offers efficient performance, multitasking, lower power consumption, and is cost-effective for everyday computing needs.

In digital signage, Intel i7 can run multimedia content, handle dynamic data, and support multiple displays efficiently and reliably.

INTEL UHD GRAPHICS

Intel UHD Graphics is Intel's integrated graphics solution, providing graphics processing capabilities within a computer's central processing unit (CPU).

Offers effective graphics, saves space, reduces power consumption and supports multiple displays. Ideal for professional use in mainstream digital signage.

THE BENEFITS OF BAREBONES

For professional use barebone computers offers versatility, compact design, and powerful processing, suitable for productivity and specialized applications.

This means enhanced performance, smoother content playback, multitasking, handling complex graphics, and faster content updates in digital signage applications.

TECHNICAL FEATURES

- High Performance Ultra Compact PC 11.7 cm x 11.2 cm x 3.7 cm
- Features Intel® Core™ i7-1360P
- 16 GB DDR4 RAM
- 250 GB M.2 NVME (2280)
- Dual HDMI™ supports resolutions up to 4K/60P
- Intel® Wireless Wifi 6E (802.11a/b/g/n/ac/ax)
- Gigabit LAN
- VESA Mount bracket (75 x75 mm, 100 x 100 mm)

PERFORMANCE DATA

Processor	i7-1360P up to 5.0GHz Turbo
Memory	16 GB SODIMM DDR4 minimum 3200 MHz
Storage	250 GB M.2 NVME
Graphics	Intel UHD 4096x2160 at 60 FPS
Power	Input: AC 100-240V Output: DC 19V 4.74A
Consumption Max	120 W
Warranty	1 Year standard (3 years optional)

WHAT'S INCLUDED

- Media player with 1 meter power cable
- Remote control with RF connection
- VESA mounting plate for attaching to back of screen
- 3 meter HDMI cable UHD 3840x2160 60 FPS
- 3 meter UTP 6 Gigabit network cable
- Peli case style case
